Why Choose AMDG

Six Reasons Leading Brand Owners Choose Us as Their Partner

1

Halal-First Manufacturing

All products are manufactured by AM under CICOT Halal certification — built into every production step, not added as an afterthought.

2

Science-Backed Formulations

Our R&D team selects every ingredient for measurable efficacy. Products are formulated with your consumer in mind, not just to hit a price point.

3

One Partner, Full Journey

Concept to shipment — one team. No sub-contractors, no handoffs, no lost-in-translation moments. You deal with AMDG from brief to delivery.

4

Minimum Order Quantity

A minimum order quantity of 1,000 units per SKU applies to selected products, depending on product specifications and production requirements.

5

Export Documentation Expertise

Certificates of Analysis, Halal documentation, regulatory packages, export compliance — handled by our specialist team so your logistics are seamless.

6

Brand-First Thinking

Our team brings market intelligence and brand perspective to every formulation decision.

BEYOND MANUFACTURING

A Strategic Partnership Built for Your Market.

Most manufacturers make your product. AMDG helps you build your brand.

What a Standard Factory Gives You	What AMDG Gives You	The AMDG Promise
• A production quote based on your specification • A generic formula with no market context • A Certificate of Analysis • No support after goods leave the gate	• Formulas developed with your target consumer and regulations in mind • Full regulatory documentation ready for your market • Dedicated post-production support for further compliance	*"Your success is our benchmark, not just the production batch."*
